How our customers have benefited from flexible finance solutions...

Fabrication Company

PRODUCTS: ASSET FINANCE, FACTORING,
SMALL FIRMS LOAN GUARANTEE

An existing client of State Securities had the opportunity to acquire a competitor company. The acquisition of the business was completed using Asset Finance and the Small Firms Loan Guarantee, whilst the use of a Factoring arrangement and reduced short term payments allowed for the necessary working capital to make the initial running of the business a success.

Packaging Company

PRODUCTS: ASSET FINANCE, FACTORING,
SMALL FIRMS LOAN GUARANTEE

A client of State Securities had the opportunity to acquire an existing business. The acquisition was completed using Asset Finance and the Small Firms Loan Guarantee, whilst the use of a Factoring arrangement allowed for the necessary working capital to make the short term running of the business a success.

Plant Hire Company

PRODUCTS: ASSET FINANCE,
COMMERCIAL MORTGAGE, FACTORING

An existing Commercial Mortgage client of State Securities found itself facing a winding up order. State Securities was able to offer re-financing on the property along with factoring of debtors to give the business enough working capital to turnaround the business.

Engineering Company

PRODUCTS: ASSET FINANCE,
SMALL FIRMS LOAN GUARANTEE,
COMMERCIAL MORTGAGE

An existing Asset client of State Securities found itself in administration. Looking to purchase the assets into a new company, State Securities was able to transfer the existing agreements. Further to this, the new company wished to purchase the business property at a fair market price from the administrator. Using a Small Firms Loan Guarantee as a deposit for the Commercial Loan allowed for the transaction to complete.
